SIR:

ATTN: OFFICIAL DRAFTSPERSON

TRANSMITTAL OF FORMAL DRAWINGS

In response to the Notice of Allowability mailed 09/16/2005, applicant submits herewith for approval a new set of ten (10) sheets of formal drawings to be substituted

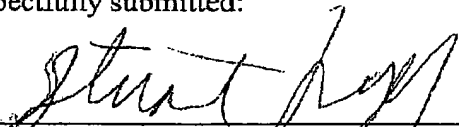

for the previously filed five (5) drawing sheets of record. The formal drawings now appear on 10 sheets rather than on 5 sheets as Figs. 1 and 2 are now each depicted on separate sheets, Figs. 3 and 4 are each now depicted on two sheets, and Fig. 5 is now depicted on 3 sheets; no new drawings have been added.

It is noted that the Notice of Allowability does not specifically require that replacement, formal drawings be filed in response to the Notice, and the undersigned attorney has never received a Notice of Draftsperson's Patent Drawing Review in this matter. As the drawings filed with the application on February 9, 2004 include hand-drawn elements, are not numbered with consecutive page numbers, etc., a requirement for formal drawings was expected.

Although not specifically required by the Notice of Allowability, Applicant submits the enclosed formal drawings in order to satisfy the ordinary requirements of 37 CFR 1.84. Any changes made to the drawings were made only to comply with the physical requirements of 37 CFR 1.84, i.e. line quality and uniformity, margins, scale, shading, etc.

Consideration and entry of these formal drawings is respectfully requested.

Respectfully submitted:
